Dark bodies floating in darkness

No sign of light ever given

Imprisoned in a world without a memory

Unconscious or am I conscious?

Cut from the heart I am part of

Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness

And I saw my own face like a spark frozen in Heaven

In dreams I see myself flying

Closer to the sun and I'm climbing

Tried to touch the sun

But the brightness burned my eyes

Unconscious or am I conscious?

Fell from the sky like a star

Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness

And I saw my own face like a spark

Dark! dark! dark!

My life was so dark! dark! dark!

My mind was so dark! dark! dark!

My life was so dark! dark! dark!

Everything was! (dark)

Unconscious or am I conscious?

Fell from the sky like a star

Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness

And I saw my own face like a spark frozen in Heaven

Dark bodies floating in darkness! (7x
