Welcome to my world

Headfirst to the earth

With my sights on the goddamn kill switch

I've become a fuse

Charged with attitude

Fixed and dialated by my anger

I have become a direct

I have become a current

I have become a direct

I have become insurgent

I will be the power surge

Shock to the system

Electrified, amplified

Shock to the system

Alternate my wires

Heat my core desire

I will not stand for condemnation

I've become the volts

To lead the revolt

Fuck with me ensues certain danger

I have become a direct

I have become a current

I have become a direct

I have become insurgent

I will be the power surge

Shock to the system

Electrified, amplified

Shock to the system

I am the power surge

I am the insurgent

Electrified, amplified

Electrified, amplified

Shock
