Fear me not but fear my hell

Man made me so I could kill

Praise me in the name of war

I destroy both rich and poor

I am the way, prepare for salvation

I am the way, prepare for salvation

Strength in time of suffering

Man alone is a weakling

Ascension is what you ask

I will be the fall of man

I am the way, prepare for salvation

I am the way, prepare for salvation

Salvation...

Those of you who dare to stray

I will tear your mind away

Those of you who dare to stray

I will take your life away

Salvation...

I am the way, prepare for salvation

I am the way, prepare for salvation

Salvation
