Here we are with our backs against the wall  
We've got big city dreams  
But we don't move from the asphalt  
We run away from our own imagination  
But at the same time we got this amazing fascination

We've got hopes on the horizon  
We can't stop climbing the mountain  
We're sick and tired of keeping silent  
We are, we are, we are,

We are gonna come together  
We're gonna come together, now  
We are gonna run together  
We're gonna turn it upside down

Cause with the smoke in the mirror  
I can't see your face  
So let's run to the fire escape  
Come together  
We're gonna come together, now

Who are they, with their so-called innovations  
They hold on like they've found their own salvation  
They shy away from the slightest alteration  
But at the same time we got the same fascinations

We've got hopes on the horizon  
We can't stop from climbing the mountain  
We're sick and tired of keeping silent  
We are, we are, we are,

We are gonna come together  
We're gonna come together, now  
We are gonna run together  
We're gonna turn it upside down

Cause with the smoke in the mirror  
I can't see your face  
So let's run to the fire escape  
Come together

We're gonna come together, now

Just let go, it's a free fall  
We're almost home, it's a free fall

We are gonna come together  
We're gonna come together, now  
We are gonna run together  
We're gonna turn it upside down

We are gonna come together  
We're gonna come together, now  
We are gonna run together  
We're gonna turn it upside down

Cause with the smoke in the mirror  
I can't see your face  
So let's run to the fire escape  
Come together  
We're gonna come together, now
