That's right
Life is funny, ain't it?
Sometimes you can end up with Somebody you really
don't wanna be with
And others left to figure it out
Check it

She was more than a woman, a goddess for all to see
And all I ever needed was right here loving me
For a while we were cool and the grooving of love was
on
But I still remember how it felt when our love was gone

1 - Tattered picture book
Was a photograph she took years ago
Secret memories in her mind, how could love be so
unkind
Heartbreak time

(My heart is breaking, Oh)

2 - Faded pictures in a broken glass
Like a mirror revealing
What the woman is feeling
Was it someone from a distant past
Cuz it's breaking my heart
So won't you stare into the glass

(Joe help me out)

As she turned through the pages, the tears roll down
her face
I could see her reminiscing why her life had to be this
way
Then she stopped as she came to a page where her
diary ends
Smelled the scent of an old rose from her lover I
suppose

Repeat 1

Repeat 2

(Oh na, na, na, na, na, na)
As she stares into the glass, I'll be waiting
(Oh na, na, na, na, na, na)
Cuz she's lost inside the past

(Oh na, na, na, na, na, na)
As she stares into the glass, I'll be waiting
(Oh na, na, na, na, na, na)
Cuz she's lost inside the past
