"Stay Together"

Sometimes it makes me wonder how this life can be so
useless
Everyone always judging you watching your every
move
But nevermind that
As long as we both stay together
And lock yourself from this world
From this world
Lock yourself from this world
Can I embrace
Can I
Can I embrace
Nevermind that
As long as we both stay together
And lock yourself from this world
From this world
Lock yourself from this world
Nevermind that
As long as we both stay together
And lock yourself from this world
From this world
Lock yourself from this world
Can I embrace you?
