[Music and lyrics - Frederiksen]

[The Journey to the Land of the Giants.  
This song is based on a story found in Hymiskviða relating how the gods Thor and Tyr fetched the giant Hymer's brewing vat. In this version it is us and our companions who are going to fetch the vat, as it is the only one in the realms of Asgard, Midgard or Jotunheim that is able to hold enough beer.]

Nu, I sk?rsommerens varme,  
Markerne er gr?nne,  
Frejas frodige barm,  
Vi skal brygge

?I, vi m? ha' den kedel,  
?I, j?tternes m?gtige ?lkar,  
?I, vi m? drage til Hymer,  
?I, der er langt at fare.  
Rejs, rejs, rejs til Jotunheim,  
Hymers kedel for at finde,  
Drag til j?tteland, held nede  
Ved himlens rand,  
For der, for der bor Hymer,  
Rejs, rejs, rejs til Jotunheim,  
Hymers kedel for at vinde,  
Rejs, rejs alle modige m?nd,  
For t?rsten og for ?ren.

Nej, er jeg vil forglemme,  
De, der falder der,  
N?r vi kommer hjem,  
Skal vi brygge

?I, til deres ?re og hyldest,  
?I, til at slukke vor t?rst,  
?I, vi m? ha' den kedel,  
?I, den er Udgarð st?rste.

Rejs, rejs, rejs til Jotunheim  
Hymers kedel for at finde,

Drag til j?tteland, held nede  
Ved himlens rand,  
For der, for der bor Hymer,  
Rejs, rejs, rejs til Jotunheim,  
Hymers kedel for at vinde,  
Rejs, rejs alle modige m?nd,  
For t?rsten og for ?ren.

Rejs til Jotunheim,  
Rejs.
