im amazed that the love u gave 2 me
it felt so good
i mean the way that you rip my shirt off
and you hit me all soft
now baby it seems i cant get u out of my head
was it love at first sight?
damn right on the first night, good or bad
we should spend some time with each oother
girl i dont wanna play it like a 1 night lover

this is what am dreamin of
flyin high like pure white doves
in love..*in love*
this is what u are for me
more than just a fantasy
it's love....*it's love*

So tell me know who's this brother who you see
If it were up to me i'd cradle you in ghetto love
And i promise you that i would keep
myself to keep
