Listen  
Now listen to the wind  
Wispering again  
It's calling  
And something deep within  
Starts awakening  
The road may be rocky  
And times can be hard  
But the days are getting longer  
And there's sunshine in my heart  
I'm hoping for another day for me and you  
I'm waiting  
I'm waiting for the rain  
To make this garden bloom  
I'm learning  
To wait another day  
Before I say it's doomed  
Cause ive met the devil  
And he's not that bad  
And ive been to heaven  
And it seemed kinda mad  
Im hoping for another day for me and you  
Cause when the sun don't shine  
I don't mind  
I couldn't change it if i wanted to  
And if the wind don't blow  
Heaven knows  
I couldn't change it if i wanted to  
I'm gonna try  
I'm gonna try to face  
The troubles on my way  
Glory  
Glory be the blessed day  
That brings me back to you  
Cause when the sun don't shine  
I don't mind  
I couldn't change it if i wanted to  
And if the wind don't blow  
Heaven knows  
I couldn't change it if i wanted to
