"Dance With Me To The End Of Love"

Lift me like an olive branch and be my homeward dove

Dance me to the end of love

Dance me to the end of love

Let me see your beauty when the witnesses are gone

Let me feel you moving like they do in Babylon

Show me slowly what I only know the limits of

Dance me to the end of love

Dance me to the end of love

Dance me to the wedding now, dance me on and on

Dance me very tenderly and dance me very long

We're both of us beneath our love, we're both of us
above

Dance me to the end of love

Dance me to the end of love

Dance me to the children who are asking to be born

Dance me through the curtains that our kisses have
outworn

Raise a tent of shelter now, though every thread is torn

Dance me to the end of love

Dance me to the end of love

Dance me to your beauty with a burning violin

Dance me through the panic till I'm gathered safely in

Touch me with your naked hand or touch me with your
glove

Dance me to the end of love

Dance me to the end of love

Dance me to the end of love
