drop kick the punks.
we want a change.
blaspheme the pop.
call out the freaks.
pay off the jockeys,
then call the cops.
queue up the news reporting company trucks.

hoist the antenna - pirate the waves.
dust off the tables and broadcast the plates.
amp the fly trap plant called venus and jab a cold fork
in the speaker.

ah were force fed pop cultures shit.
we're staying up late thinking "what the fuck is this?".
