I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight when the moon is bright  
I'm gonna knock and ring and tap until you do

I'm gonna knock on your door, call out your name  
Wake up the town, you'll see  
I'm gonna hoo-hoot and howl like a lovesick owl  
Until you say you're gonna come out with me

Hey, little girl, this ain't no time to sleep  
Let's count kisses 'stead of countin' sheep  
How, how can I hold you near  
With you up there and me down here

I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight when the moon is bright  
I'm gonna knock and ring and tap until you do

I'm gonna knock and ring and tap  
and knock and ring and tap  
and knock and ring and tap  
and knock and ring until you do
