Listen

Now listen to the wind
Whispering again
It's calling
And something deep within
Starts awakening
The road may be rocky
And times can be hard
But the days are getting longer
And there's sunshine in my heart
I'm hoping for another day for me and you
I'm waiting
I'm waiting for the rain
To make this garden bloom
I'm learning
To wait another day
Before I say it's doomed
Cause ive met the devil
And he's not that bad
And ive been to heaven
And it seemed kinda mad
Im hoping for another day for me and you
Cause when the sun don't shine
I don't mind
I couldn't change it if i wanted to
And if the wind don't blow
Heaven knows
I couldn't change it if i wanted to
I'm gonna try
I'm gonna try to face
The troubles on my way
Glory
Glory be the blessed day
That brings me back to you
Cause when the sun don't shine
I don't mind
I couldn't change it if i wanted to
And if the wind don't blow
Heaven knows
I couldn't change it if i wanted to
