We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long

Happy days are here  
So leave your cares behind  
Just relax your mind  
It's so easy to do it

Just enjoy yourself  
If the feeling's right  
Get your groove on tonight  
Take your time tonight  
Everything's alright  
Ain't nothin' but a party

We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long

Get up on the floor  
Don't worry 'bout a thing  
The rhythm's got you now  
So come on, get into it

Just enjoy yourself  
If the feeling's right  
Get your groove on tonight  
Take your time tonight  
Everything's alright  
Ain't nothin' but a party

We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long

Have a good time (uh huh)  
Lay back, relax (free)  
Just free your mind  
Let the music take control of you

Puff Daddy:

If it's a hit then I musta did it  
If it's not then I wasn't with it  
Bad Boy stay committed  
Whether hip-hop or R&B  
Featuring Faith Evans, co-starring me -- P. Diddy  
You know I got the key to your city  
Unlock the door, rock some more  
Beats we lace, Bad Boy heats the place  
We run R&B too cause we Keep the Faith  
Givin' the streets a taste  
Blaze the charts (Faith: I remember...)  
In case you forgot, First Lady be makin' it hot  
Ain't nobody takin the spot  
Now Faith instead of pain  
Comin' through with a better grain  
In the dash, cell phone better range  
Get the cash, stack paper for the whole four quarters  
Man some things never chance, you feel me?  
Let's make 'em dance

We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long

Have a good time (have a)  
Lay back, relax (free)  
Just free your mind  
Let the music take control of you

We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long
