What's the point
If you hate, die and kill for love
(Kill for love)
What's the point with a love
Makes you hate and kill for

You've got a heart on fire
It's bursting with desire
You've got a heart filled with passion
Will you let it burn for hate or compassion?

What's the point
If you hate, die and kill for love
(Kill for love)
What's the point with a love
Makes you hate and kill for
