Baby i've been drifting away
I've been dreaming all day
Of holding you, touching you
The only thing I wanna do
Is be with you, as close to you
As I can be

CHORUS:

Let's make love
All night long
Until all of our strenght is gone
Hold on tight, just let go
I wanna feel you in my soul
Until the sun comes up
Let's make love

Do you know what you do to me
Everything inside of me
Is wanting you, needing you
I'm so in love with you
Look in my eyes
Let's get lost tonight
In each other

Let's make love
All night long
Until all of our strenght is gone
Hold on tight, just let go
I wanna feel you in my soul
Until the sun comes up
Let's make love
