Cause I be talkin bout that gun slangin, that murderin

Them bitches, bitches havin kids, bitches fuckin bitches

Bitches fuckin other bitches' bitches

and the other bitch getting mad and stab that bitch in
the club

and he gotta drag that bitch out

Look, he ain't want none on that on his album

He wanna write about lovin and huggin people

And Hey lady you look so fine

And I mean...you know what I'm saying

I ain't trying to downgrade nobody, nah nuttin like that

But this nigga need some spittin on here

So I can come on this motherfucker and flame it out

So somebody could cut this motherfucker on

He comin?, Cut my shit on

[Lil Wayne]

I'm on fire, Shorty so raw

I just may be Columbian so I'm higher

Washed up niggaz, I will tumble ya, double-dry ya

I bubble gum and spit jumbalya

I'm fresh up out the kitchen with that Richard Pryor

Yeah I keep your stomach rumble quiet

Holla, Prior to me getting money, I was gettin money

See, everytime I hit the pen, I bungee like a spongee

I ain't playin like Tony Dungy

Sayin all ya'll is lunchmeat to the hungry

Better watch your pot roast when I'm on me, I'm

nothing nice

like something like running through blazing pistols with
a fucking knife
I'm fresh to death, I need a fucking life
She say her man wrong, so she gonna suck me right
I'm like fucking right, I got my two-shooter, that mean
I'm fucking twice

[Lil Wayne]
Bang Bang
Whoo..it was hard
Look at our journey
But I got here, I made it on the album people
It's Weezy
Thank you Fresh

[Mannie Fresh]
Look, Wayne
I told you brah
No merkin, No murderin
No bitches stabbin bitches
No bulletwounds
None of that kinda shit
No fuckin body with over 12 tattoos and all that shit on

This is some beautiful wholesome loving kind type stuff
If you can't go by them rules, get the fuck on dude
Now Fabe, play something beautiful for the ladies
