Force yourself on me
I know where my money comes from
I know where my money comes from

I'll do anything for you
I'll do anything for you
I'll do anything for you
I'll do anything for you

When your hands in my mouth I'll force it down
When your hands in my mouth I'll force it down in me
I'll force it down in me

Hold it in, take it out of me
Hold it in, take it out of me
Hold it in, take it out of me
Hold it in, take it out of me

Hold it in, take it out of me
Hold it in, take it out
Hold it in, take it out
Hold it in, take it out

Take it out of me
Take it out of me
Take it out of me
Take it out of me

Take it out of me
Take it out of me
Take it out of me
Take it out of me

Take it out of me
Take it out of me
Take it out of me

Push me, I'll move
Push me, I'll move
Push me, I'll move
Push me, I'll move

I'll do anything for you
I'll do anything for you
I'll do anything for you

Hold it in, take it out of me
Hold it in
