I'm a coward  
Put your knife in me

I don't know you  
I can't use you  
I don't know you  
I can't use you

I don't know you  
I can't use you  
I don't know you  
I can't use you

Put your knife in me  
Put your knife in me  
Put your knife in me  
Put your knife in me

Put your knife in me  
Put your knife in me

I love you  
I love you  
I love you  
I love you

I'm worthless  
I'm worthless  
I'm worthless  
I'm worthless

I love you  
I'm worthless

Put your knife in me  
Walk away  
I'm worthless  
I'm worthless

I'm worthless  
I'm worthless  
I'm worthless

I'm worthless

Walk away  
Walk away  
I love you  
I love you

I'm worthless  
I'm worthless  
I'm worthless  
I'm worthless

I love you  
I'm worthless  
I love you  
I'm worthless

I'm worthless  
I'm worthless  
I'm worthless  
I'm worthless

Walk away  
Walk away

I love you  
I love you  
I love you  
I love you  
I love you

Put your knife in me  
I love you  
Put your knife in me  
I love you

Put your knife in me  
I love you  
Put your knife in me  
I love you
