There's Patchouli Blossom, Frankincense,
And Rose
I'm Lavender, Lavender
There's Cedarwood, Champa. Musk, And
Myrrh
I'm Lavender, Lavender
I Was Smoldering Then You Breathed Deep
May Your Soul Be Free Now My Smoke Is
Sweet
There's Sandalwood, Lilac, Magnolia
I'm Lavender, Lavender
Ylang Ylang, Jasmine, Amber
I'm Lavender, Lavender
I Was Smoldering Then You Breathed Deep
Now Our Soul Is Free And Our Smoke Is Sweet
Lavender, Lavender
Swans Lavender Girl
