My Frozen Empty Violent Mind Caressed The  
Hidden Hair That Shines  
With Liquid Lust I Left Behind,Your Body  
Stained With Ruined  
Eyes, I Cut The Skin Concealed The Crimes  
With Liquid Hate I  
Left Inside And Lonliness Is Buries Here In  
Rotting Holes  
Beneath Your Fear, Your Agony Your Twisted  
Struggle Two Bodies  
Sink In Meat/blood Strangled.,The Smell Of  
Death, Your Tortured  
Gash, Enfold Me In Your Mother's Arms, Now  
Hold Me In Your  
Mother's Arms, Now Hold Me In Your  
Mother's Arms...
