I'm your stupid child
I'm your stupid child

I'm your stupid helpless child
I'm your stupid helpless child
I'm your stupid helpless child
I'm your stupid naked child
I'm your stupid naked child
I'm your stupid naked child

I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am

I like the way that feels
I like the way that feels
I like the way that burns me
I like the way that burns me

I like the way that dulls me
I like the way that dulls me
I like the way that cuts me down
I like the way that cuts me down

You know stupid child
I'm your stupid child

I like the way that feels
I like the way that feels
I like the way that feels
I like the way that feels

I like the way that feels
I like the way that feels
I like the way that feels
I like the way that feels

I like the way that feels
I like the way
