Your body is private.
Your mind is sacred.
You should be violated.
You should be violated.
You should raped.
You should be... Raped.
I need you.
I need you.
I want them to do this to you.
I want them to do this to you.
Bastard.
Tear it down.
Tear it down.
Burn it.
Burn it.
Break it.
Break it.
Break it.
Break it.
Lacerate it.
Lacerate it.
Lacerate it.
Lacerate it.
And you suck it.
And you suck it.
Suck it.
Suck it.
Suck it
Suck it.
Someone less privileged then you should use you.
Someone weaker then you should rape you.
You should be violated.
You should be violated.
You should be raped.
You should be raped.
You should be raped.
You should be raped.
Don't fight back.
Don't fight back.
I need you.
Don't fight back.
Don't fight back.

I want them to do this to you.
Bastard.
I want them to do this to you.
Bastard.
Tear it down.
Tear it down.
Burn it.
Burn it.
Burn it.
Burn it.
Burn it.
Burn it.
Burn it.
Burn it.
Break it.
Break it.
