Oh oh  
oooh  
no no no

You know there are two sides to every story

See I don't know why you crying like a bitch  
talking shit like a snitch  
Oh are you, to write a song about me  
if you really didn't care  
you wouldn't wanna share  
telling everybody just how you feel

2x Refrain:

Fuck what I did was your fault somehow  
fuck the presents, I threw all that shit out  
fuck all the crying, you didn't mean jack  
well guess what yo, fuck you right back

Hey you thought, that you could, really make me moan  
I had better sex, all alone (ha ha ha ha)  
I had to, to do your friend  
now you want me to come back  
you must be smoking crack  
I'm going else where and that's a fact

2x Refrain:

Fuck all those nights I moaned out real loud  
fuck it, I faked it, i'll rent you out  
fuck all those nights you thought you broke my back  
well guess what yo, your sex was wack

whoa whoa  
uh uh yea  
whoa whoa  
uh uh yea  
whoa whoa  
uh uh yea  
whoa whoa  
uh uh yea

You questioned did I care  
maybe I would how if you wanna come to me  
now it's over  
but I do admit I'm glad I didn't catch your crabs  
I can't swear bad cause I got to go

Refrain:

Fuck what I did was your fault somehow  
fuck the presents, I threw all that shit out  
fuck all the crying, you didn't mean jack  
well guess what yo, fuck you right back

whoa whoa  
uh uh yea  
whoa whoa  
uh uh yea  
whoa whoa  
uh uh yea

you made me do this
