Another summer day
Has gone and come away
In Paris and Rome
But I wanna go home
Ohhh-oh-oh

May be surrounded by
A million people I
Still feel all alone
Just wanna go home
Oh, I miss you so

And I've been keeping all the letters
That I wrote to you
Each one a line or two
"I'm fine, baby, how are you?"

Well, I would send them but I know
That it's just not enough
My words were cold and flat
And you deserve more than that

Another aerorplane
Another sunny place
I'm lucky, I know
But I wanna go home
I got to go home

Let me go home
I'm just too far
From where you are
I wanna come home

And I feel just like I'm living
Someone elses life
It's like I just stepped outside
When everything was going right

And I know just why you could not
Come along with me
This was not your dream

But you always believed in me

Another winter day
Has come and gone away
And even Paris and Rome
And I wanna go home
Let me go home

And I'm surrounded by
A million people I
Still feel alone
Let me go home
Oh, I miss you, you know

Let me go home
I've had my run
Baby, I'm done
I gotta go home
Let me go home

It'll all be alright
I'll be home tonight
Baby, I'm coming back home
Coming back home
I'm coming back home
