No matter what they tell us  
No matter what they do  
No matter what they teach us  
What we believe is true

No matter what they call us  
However they attack  
No matter where they take us  
We'll find our own way back

I can't deny what I believe  
I can't be what I'm not  
I know I love forever  
I know no matter what

If only tears were laughter  
If only night was day  
If only prayers were answered  
Then we would hear God say

No matter what they tell you  
No matter what they do  
No matter what they teach you  
What you believe is true

And I will keep you safe and strong  
And sheltered from the storm  
No matter where it's barren  
Our dream is being born

No matter who they follow  
No matter where they lead  
No matter how they judge us  
I'll be everyone you need

No matter if the sun don't shine (the sun don't shine)  
Or if the skies are blue (skies are blue)  
No matter what the ending  
My life began with you

I can't deny what I believe (what I believe)

I can't be what I'm not  
(I know, I know) I know this love's forever  
That's all that matter's now  
No matter what

(no, no matter)  
No, no matter what  
(no, no matter)  
No, no matter what  
I know no matter, thats all that matters to me  
No, no matter what  
I know no matter, thats all that matters to me  
No, no matter what  
I know no matter, thats all that matters to me  
No, no matter what  
I know no matter, thats all that matters to me
