Floating
How could I tell you
reason
We haven't applied for
Floating throw your hair
Leave us behind I don't care
Floating
How could I tell you
Reason
We haven't applied for
Floating throw your hair
Leave us behind I don't care
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
I need to know
Separation
I need to know
Freaking down
Break my heart
Into blame
Such a shame
We both know
It's far too slow
Raising up to end this show
Mine resist for love
Into blow
Clear your mind
Just be kind
We don't know like you act design
Like you kiss a piece of mine
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow-ou, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Separation

I need to know
Freaking down
Break my heart
Into blame
Such a shame
We both know
It's far too slow
Raising up to end this show
Mine resist for love
Into blow
Clear your mind
Just be kind
We don't know like you act design
Like you kiss a piece of mine
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow-ou, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou
Stoilow, stoilow, stoilow-ou

Thanks to razvan
