Well, you know since Jesus first came into my heart  
Yes, God came one mornin', my blessed Savior  
Come on in my heart, thank God  
Floods of joy filled my soul, just like a shield, little roll  
No, Jesus one mornin', come on in my heart, yes, You  
did

Oh, since Jesus came on to my heart, yes He did  
Said, Jesus came on in my heart, yes He did  
Floods of joy filled my soul, like a [Incomprehensible]  
Since Jesus came on to my heart, oh yeah

Yes, it's Jesus came on in, came in time one mornin'  
I was born, Jesus came on in, [Incomprehensible],  
came on in  
Come on Jesus, come on Jesus, come on Jesus, come  
on Jesus  
When I went, come on in, love is gone, come on in

Hey, hey, Lord come on in to my heart  
Said, Jesus, came on all the way in my heart, oh yeah  
Waves of joy filled my soul, like a sweet sweet soul  
Said, Jesus hey, came all the way to my heart

Came into my heart, came into my heart
