Daddy's little girl
In her Catholic world
Never ever late
Always home by eight

But now college calls
With it's hallowed halls
She looks for her degree
In the TFT

Now she's on display
At UCLA
Catholic school girl
Meets her brand new world

Now she's oh so hip
On the Sunset Strip
Another eighteen
Hollywood scene

She's a trip, she's a trip, she's a trip
She's a new wave girl

Mommy's pride and joy
Wait for the perfect boy
But she's on her own
Far away from home

She's a brand new fad
From the distant past
Colored every shade
From the Me Decade

Such a pretty sight
On the streets at night
Between Crescent Heights
And Doheny Drive

Now she's oh so hip
On the Sunset Strip
Hollywood dreams

On the silver screen

She's a hit, she's a hit, she's a hit
She's a new wave girl

Get free of yourself
Get free of yourself now baby
Get free of yourself

She's a hit, she's a hit, she's a hit
She's a new wave girl
