[Dido]

You can sleep forever, but still you will be tired  
You can stay as cold as stone, but still you won't find  
peace  
With you I feel I'm the meek leading the blind  
With you I feel I'm just spending wasting time

I've been waiting  
I'm still waiting  
I've been waiting  
I've been waiting  
I've been waiting  
I'm still waiting  
I'm with you (with you)  
It's always one step too far  
One step too far

You can walk too far but still you won't be found  
You can look down on the world but still you won't find  
love  
You won't find love

[Maxi Jazz]

Only with mellow  
Are you thin enough to slide through,  
Don't let nothin' ride u,  
If the sun or the moon would give way to doubt,  
They would immediately go out.  
Only one swallow doesn't make a summer  
But u gotta start somewhere (maxi's bit)

[Dido]

I've been waiting  
I'm still waiting  
I've been waiting  
I've been waiting  
I've been waiting  
I'm still waiting  
I'm with you (with you)  
It's always one step too far  
One step too far

I've been waiting  
I'm still waiting  
I've been waiting  
I've been waiting  
I've been waiting  
I'm still waiting  
I'm with you (with you)  
It's always one step too far  
One step too far
