"Lost"

I want to feel the things that I've lost along the way
Took everything in my life and then threw it all away.
I want to feel the things you feel,
Everything in my mind feels so real.
Enough with the pain and the suffering,

Counting all the days like you, you owe it to me.
You light the fire in my eyes.

'Cause you're always too late.
I'm taking the weight you put on me.
When I walk away.
Turn the light, the fire inside
And burn you inside this game.
Inside this.

Believe I'm taking your bliss away and giving what you
gave.
Took everything in your life and threw it all away.
No way to fight the fear you feel,
As the pain in your mind becomes so real.
Look out the way, you're suffering,

Counting all the days like you, you owe it to me.
You light the fire in my eyes.

'Cause you're always too late.
I'm taking the weight you put on me.
When I walk away.
Turn the light, the fire inside
And burn you inside this game.

You owe it to me.
Taking the weight that you put on me.
When I walk away.
Turn the light, the fire inside.
Burning alive, no way to survive.
To the end remember this day,
Burn you inside this game.
Inside this.
Inside this this game.
