Feat. Stush

[Speaking]

Oi Oi Babe

Oi Put It Down Man

What Are You Hiding?

I'm not hiding nuffin
Da reason I got a security lock on my phone
Is cos I got bare celebrities on the phone.

(Mm, mm)
If I lose my phone everybody's f'ed

(Yh, yh)
But you can talk. Are you still speaking to my man?

(Yeah whatever)
Your still speaking to him init

[Sway]
Does my man think I'm a punk
Diggin you down anytime that he wants
I said you can have male friends if you want
But I don't think that's what my mans on

Real talk, you better tell him that it's long
If not, you best believe I'll be gone
What kinda ex would send this text?
"I miss you" Where's his respect?
Oh yeah oh yeah oh yeah
Act like it's just innocent
Oh yeah oh yeah oh yeah
You don't wanna see me get militant
What what, now babes am I wrong?
Am I gonna have it though, babes I'm a don
I'm gonna get wicked if he don't get rid of your digits
And stop sending you kissing on Facebook dot com

[Chorus]

Why's he ringing you fone (I don't know)
What does he wants from you (I don't know)
Don't he know that your not alone? (I don't know)
Swear my mans onto you

He's just my ex (F ur Ex)
He's just my ex (F ur Ex)
He's just my ex (F ur Ex)
And I think he's cool (Then go F ur Ex)

[Stush]

Does my girl tink me a dunce?
Belling of ya bloodclaat fone when she wants
Me a ring ya line an me can't get through
Am I the one that's been with you for months (What you
talking about)
Do you think that I am dumb? (Nah babe)
No wait hold on, am I done?
Tell me the truth, am I number one?
Cos right now I don't feel like I'm the one
Oh yeah oh yeah oh yeah
I know that your not on the fone to your boy
Oh yeah oh yeah oh yeah
Trust I can hear that's a female voice
No no
Go away have you fun
Go go
To the rave til it's done
This is not her fault it takes two to tango
So please don't act like you ain't had a dance

[Chorus]

Why's she ringing you fone (I don't know)
What does she wants from you (I don't know)
Tell her your not alone (What for?)
I swear she's onto you
She's just my ex (F ur Ex)
She's my ex (F ur Ex)
She's just my ex (F ur Ex)
And I think she's cool (Then go F ur Ex)

[Sway]

I'm with you
I've been true
Past relationships I've been through
Loads of stress
So give me your best
Cos the truth is, she's just my ex

[Stush]

I'm with you

I've been true

Past relationship I've been through

Loads of stress

So give me a rest

Cos the truth is he's just my ex

[Sway]

If my man try to send you another text

Text him back

Tell him he should get a vest

If he ever make you make me upset

Text him again and tell him he should get a tech

Cos I like you u know

Ima wife you u know

Your not just a link

Your my wifey you know

That's likes a life thing you know

Have a family with you

That's likely you know

What you don't think I should fight for you?

No in this new school thing I'm the principle

Cos the old school says you shouldn't fight over girls

But the new school do it for the principle

I know I'm not invincible

But don't your ex have somethings to do?

I'm only joking

I ain't gonna smoke ya

And nobody put no rings on you so do you

[Chorus]

Why's he ringing your fone (I don't know)

What does he want from you (I don't know)

Don't he know that your not alone (I don't know)

I swear my mans onto you

He's just my ex (F ur Ex)

He's just my ex (F ur Ex)

He's just my ex (F ur Ex)

And I think he's cool (Then go F ur Ex)

Why's she ringing your fone (I don't know)

What does she want from you (I don't know)

Tell her that your not alone (What for?)

I swear down she's onto you

She's just my ex (F ur Ex)

She's my ex (F ur Ex)

She's just my ex (F ur Ex)

And I think she's cool (Then go F ur Ex)
