Oi oi babe

You're still speaking to him init?

[Singing]

Does my man think im a punk?

Diggin you down anytime that he wants.

I said you can have male friends if you want,
but I don't think that's what my man's on.

Real talk, u better tell him that its long.

If not, u best believe I be gone.

Cos the old skool says u shouldn't fight over girls,
But the new skool do it for the principle.

Hes just my ex (f ur ex)
And I think hes cool (then go f ur ex)
