Gotta Keep Up Gotta Gotta Keep Up
Gotta Keep Up Gotta Gotta Keep Up
Back In The Days Before I Got Paid, I Wasnt Too Pretty
So I Never Got Laid
As Soon As I Changed The Size Of My Chain, Rayz, I Cut
Through The Crowd Like A Blade
Never Sold An Aspirin And Never Done A Rayz, So Ask
Me Again How I Got That Fame
Credit You Get It You Got It You Spend It Gotta Keep Up
"Wer" Cus I'm So Ashamed

I Roll Up To The Bar Den I Swipe Swipe
When I'm Filling Up My Car I Jus Swipe Swipe
When I'm Shopping For The Buds I Jus Swipe Swipe
See I Can Have Anything I Like
Take My Girl Shopping, Take Your Girl Shopping
Got The Shop Keeper Swinging On My Sumting
"Hey Wassup U Cool"
Yea Only U Knew Beneath The Brand New V Suit Is A
Fool

Hey Its Sway Dcypho From Decypher, He Came To Take
Ur Breath Away

"Sway How Much Was Ur Shades, Sway Where'd You
Buy Those Trainers
Sway Why You Wearin Them Shades"
I Dont Know I'm Jus Followin Fashion

Everyday When I'm Leaving The Manor, I Burn N All The
Heads Turn Like A Spanner
Kids In The Hood Jus Wanna Say Hi, But Everytime They
Try They C-Come Out In A Stamma "Its Him"
As For Ho's You Know I'v Got A Couple, Always On My
Flows But No We're Not A Couple
Wot! Bobs Got A Brand New Ride, Rims The Size Of My
Vrmmm On The Side

Now I Gotta Get A Job I Gotta Work Work, Cus These
Bloody Credit Cards Dont Work Work
Was A Cv I Want Work Work, If I Dont Get This Chance
Gonna Drive Me Berserk

Eight Months 3 Jobs Nothin In The Fridge, Twelve Grand
In Halifax Nothin In The Ribs
Jus Left Tesco With Enough For Petrol, Babez I'm Back
From America Lets Go

Hey Its Sway Dcypho From Decypher, He Came To Take
Ur Breath Away

"Sway What Car Are We In, Sway Whats The Size Of The
Rims
Sway How Fast Can It Go"
I Dont Know I'm Jus Followin Fashion

One Day I Came Home For Breakfast When I Tripped Up
And Landed On A Load Of Letters
Sumthin Says I Should Open Em Today, Instead Of
Always Ignorin Em An Throwin Em Away
Ten Red Letters In My Name But I Doesnt Mind, If They
Phone Up I'll Jus Tell Em That I'm Colourblind
Knock Knock Whos There Two Tonne K Bailiffs, Yea I'm
Derek Wot Can I Do For Ya Fella's
Well I Cant Give Ya Money Cus I'm Broke Broke, Why
You Comin In I Sed I'm Broke Broke
Not My New Telly Thats Broke Broke, You Must Think
I'm Some Type A Joke
See I Was Gonna Pay The Bill In About 3 Days, So Keep
Touchin My Stuff If You Wanna Be Brave
Now I'm Back At The Bank Tryin To Get A Little Loan,
But They're Tellin Me A Brother Got Ccj's

Hey Its Sway Dcypho From Decypher, He Came To Take
Ur Breath Away

"Sway You Look Trauma Today, Sway You Wore That
Yesterday
Sway We Dont Like You Anymore"
I Dont Care You Keep Followin Fashion
Just A Little Bit O Roleplayin
