That girl ain't no joke  
I love the way she roll  
Especially when she working going up and down that  
pole  
Cos she's a professional and she'll stick you up without  
a weapon, oh she's so cold  
If you don't know she'll rob you for your silver and gold  
(gold, gold..)  
She will take it and go (go, go..)  
For your silver and gold (gold, gold..)  
She will take it and go(go,go..)  
If you don't know..

(Sway)  
Just hoped off a plane  
Name just popped up again  
UK just got hot again  
Konvict music, top for the game  
I'm in the club and im watching the dame  
Who's in love cuz shes watching the watching the chain  
and where there is drop over range  
one thing is for sure  
It's the top of the range  
clubs about to close  
Follow me to my crib, come without your clothes  
Most girls are happy wit a rose  
She rather have bottles of rose hennessy and mo  
She's out for the dough  
She'll bounce for anyone with an account full of 0's  
Got bounced from anyone when her account gets low  
Cuz money money money makes the girls get low

Yeah I wanna beat, got the whole club feeling like rio on  
the beach  
She got them pretty Louis V upon her feet  
And she loves me cuz im a CEO of my team  
And she could tell where you came,  
running with Akon but i aint T-Pain  
Get a little change, but I exchange pounds  
Make it thunder in the club, who da hell needs rain  
Baby love glamour she ain't never been played  
She loves London but she ain't never been Spain  
She's always tellin me how much she loves my accent  
But she's thinkin to herself, what the hell is he saying  
Yeah she's out for the dough  
She'll bounce for anyone with an account full of 0's  
Got bounced from anyone when her account gets low  
Cuz money money money makes the girls get low

If you never been exposed

Ready for this type of woman  
Cuz shes outta your league  
I watched her make the most powerful men just crawl  
on their knees  
Beggin for mercy..  
That girl ain't no joke
