I can see you stumble
I can hear you scream...
You're bleeding before me
you're in my dream...

Why do you do this?
you know I don't care...
Don't look for me
I won't be there...

I'm evil,
I'm Furuis.
I want you to die right now!
I'm evil,
I'm Furuis.
Die right now!
Die right now!

Don't try to find me
I want loneliness...
Do I hate you?
Go ahead and guess...

You think I'm crazy
but I'm evil as hell...
Show me you're pain
that'll do me well...

I'm evil,
I'm Furuis.
I want you to die right now!
I'm evil,
I'm Furuis.
Die right now!
Die right now!

My rage is my power
burning like fire...
To hurt and torture
that's my desire...

My heart is a stone
black as the night...
Just give me a reason
to start up the fight...
