I wish you bluebirds in the spring  
To give your heart a song to sing  
And then a kiss, but more than this  
I wish you love

And in july, a lemonade  
To cool you in some leafy glade  
I wish you health and more than wealth  
I wish you love

My breaking heart and I agree  
That you and I could never be  
So with my best, my very best  
I set you free

I wish you shelter from the storm  
A cosy fire to keep you warm  
But most of all, when snowflakes fall  
I wish you love

My breaking heart and I agree  
That you and I could never be  
So with my best, my very best  
I set you free

I wish you shelter from the storm  
A cosy fire to keep you warm  
But most of all, when snowflakes fall  
I wish you love
