I'm not that kind of guy who can take a broken heart
So don't ever leave
I don't want to see us part
The very thought of losing you means
That everything would go down under

I'll be loving you forever
Just as long as you want me to be
I'll be loving you forever
All this love's for you and me

I'll be loving you
I'll be
I'll be loving you
Loving you
And the things you do
Yaaa it's forever
I'll be loving you
I'll be
I'll be loving you
Loving you
Yaaa

I count the blessings that keep our love new
There's one for me and a million for you
There's just so much that I wanna say
That when I look at you all my thoughts get in the way

I'll be loving you forever
Just as long as you want me to be
I'll be loving you forever
All this love's for you and me
Yaaa

I'll be loving you
I'll be
I'll be loving you
Loving you
The things you do
Yaaa it's forever
I'll be loving you

I'll be
I'll be loving you
Loving you
Yaaa

We've come to far
To ever turn back now
This love will last forever
I can see it all now

I'll be loving you
I'll be
I'll be loving you
Loving you
The things you do
Yaaa it's forever
I'll be loving you
I'll be
I'll be loving you
Loving only you girl
Oh girl

I'll be loving only you
