Mystery to be revealed
We tell the truth and then we run
Reminiscing all our sins
Cause sinners are more fun

A penny for your thoughts you say
They are worth at least a dime
I'm sending all my prayers
You'll get them in the nick of time

The world is spinning round and round
Everything goes way too slow
Don't you feel depressed and down
It's time for me to go

Love, there's still one thing to say
I love you every day
Don't beg for me to stay

Please remember me
When I'm not around
I've been waiting all my life
For the love I finally found
Remember all the fun
Don't think of all the fights
Now there's been a change of heart
Our future feels alright

I'm sure you'll get ahead
You're not alone you always say
So don't be afraid for tomorrow
This is not the end
Forever you'll be my friend
So promise while I go
Don't drown your sorrow
