Now that we're old and prouder than we should be
I hear you talking but I don't see the need
As we go around until the day we pass out

I pass your house and I walk home late at night
I'd stop to say hi but I'm not that polite
I don't know how we ended up in this town
It's true
Cos you know

It takes no time at all
Just wait until tomorrow when you're gone
And I'll try to make things
Better than they seem
Trust me I know more than I may seem
I know

Running away from what was there to begin
Climb up the walls until they decide to cave in
Oh don't you tell me what you're thinking
When it's true
Cos you know

It takes no time at all
Just wait until tomorrow when you're gone
And I'll try to make things
Better than they seem
Trust me I know more than I may seem
I know

It takes no time at all
Just wait until tomorrow when you're gone
You're gone
