(spoken) Alright everybody calisthenics

Ready, begin

And

1 2 3 bend

1 2 3 stretch

1 2 3 bend

1 2 3 stretch

1 2 3 bend

1 2 3 stretch

(spoken) Come on

1 2 3 bend

(spoken) Let's move it!

1 2 3 stretch

1 2 3 bend

(spoken) Alright boys, you can do it.

1 2 3 stretch

1 2 3 bend

1 2 3 stretch

(spoken) Now let's really move it!

Watch my smoke

Feel my thunder

You'll be fading in the distance

I'll be leaving you under my spell tonight

But you'll be alright

I'm just lost in a dream

I'm a dancing machine

(I can do anything better than you can)

Yes, I can

Have you ever seen anyone move like this

Oh, I can do anything better than you can

Just stand aside

And watch me fly

My hearts on fire

And my soul is burning

I'm a live wire

And I love turning you on

(I love turning you on)

I'm just lost in a dream

I'm a dancing machine

(I can do anything better than you can)

Yes, I can

Have you ever seen anyone move like this

Oh, I can do anything better than you can

Just stand aside

And watch me fly

I can do anything better than

I can do anything better than

I can do anything better than you
