We have arrived
At a moment in our lives
When the future passes into our hands
We will find out
Are we really strong enough
To fulfil what the future demands?

We can stand on the edge
And look out into space
And be awed by the wonders we see
We can all make a pledge
That the whole human race
Will become what we want it to be!

Bring on tomorrow
Let it shine
Like the sun coming up on a beautiful day
It's yours and mine
We can make a difference
It's not too late
Bring on tomorrow
We can't wait!

Long, long ago in a world
We never made
We wew children
Who were making believe

Closing our eyes
We were travelers in air
to a land we would not want to leave
But this fairy tale land
But this fairy tale land
Goes away as we grow
And we all have to say our goodbyes
And we now understand
That this world that we know
Can be ours if we open our eyes

Bring on tomorrow
Let it shine

Like the sun coming up on a beautiful day
It's yours and mine
We can make a difference
It's not to late
Bring on tomorrow
We can't wait

Bring on tomorrow
We can't wait
Bring on tomorrow
Let it shine
Like the sun coming up on a beautiful day
It's yours and mine
We can make a difference
It's not to late
Bring on tomorrow
We can't wait
Bring on tomorrow
We can't wait!
