I am in love, with what we are
Not what we should be
And I am, I am starstruck
With every part, of this whole story

So if it's just tonight
The animal inside, let it live and die
Like it's the end of time
Like everything inside,
Let it live then die

[Chorus]
This is our last chance, give me your hands
Cause our world is spinnin at the speed of light
The night is fading, heart is racing
Now just come and love me like we're gonna die

I'm no asleep, I'm up before the fight
Into the magic
And I don't want the concrete
I am alive, comes with the tragic

So if it's just tonight
The animal inside, let it live and die

[Chorus]
This is our last chance, give me your hands
Cause our world is spinnin at the speed of light
The night is fading, heart is racing
Now just come and love me like we're gonna die.
