Oh

I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Or better yet, stand there  
Just do that

I wanna know your name  
Your name  
You just kill me, could you at least do that?  
I wanna know your name  
Your name  
Or better yet, stand there  
Just do that

Hey yeah

I wanna know your name...  
Know your name...  
I wanna know your name...  
Know your name...

Uh!  
Oh yeah

I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Know your name  
Or better yet, stand there  
Just do that

Hey yeah!  
Oh yeah!

I wanna know your name...  
Know your name...  
I wanna know your name...  
Know your name...

Uh
