Into the streets  
We're coming down  
We never sleep  
Never get tired  
So urban feels  
And suburban lights

Turn the crowd up now  
We'll never back down  
Shoot at the skylight  
And watching it on primetime  
Turn up the love now  
Listen up now, turn up the love

Who's gonna save the world tonight?  
Who's gonna bring me back to life?  
We're gonna make it, you and I  
We're gonna save the world tonight

OHOHOHOHOHOH  
OHOHOHOHOHOH

OHOHOHOHOHOH

We're far from home, it's for the better  
What we dream, it's all that matters  
We're on our way, united

Turn the crowd up now  
We'll never back down  
Shoot at the skylight  
And watching it on primetime  
Turn up the love now  
Listen up now, turn up the love

Who's gonna save the world tonight?  
Who's gonna bring me back to life?  
We're gonna make it, you and I  
We're gonna save the world tonight
