You and I are the best of friends I know

And my chance to be true and never alone

Should I fail to keep a promise to you

Then forgive help me grow along with you

Chorus:

I love you so with my heart and soul

I will be with you all along the way

Like roses grow through warm and cold

I will be with you all along the way

Where you go or what you do I'll follow you

I'll be there and be a hand to guide you through

My little rose full of strength I'll trust in you

We will share our burdens till one must go

Chorus

Rose Marie tu vois tous les bois

Tu vois tous les dances

C'est ton imagination Rose Marie

Et tu dances dances dances

Dances les bois

Et tu dances toute soule

En tous bois Rose Marie

Chorus
