"Break Free"

I wanna break free with my heart

With my soul, with my hands

I'll do it all with my hands

With my will there's a way

Ah, there's a way

Ah, there's a way

Life is hard and beautiful

That's why I wanna break free

When it's hard I break the ice

When it's nice it burns fire

Ah, burning fire

Ah, burning fire

I was gone and I was dreaming

That nobody loved me no more

All alone under water

And I knew my heart was still there

I was gone and I was dreaming

That nobody loved me no more

All alone under water

And I knew my heart was still there

I wanna dance free 'till I fly

With my soul, with my hands

I won't stop smiling for my treasure

Family and me

Ah, burning fire

Ah, burning fire

Ah, burning fire

Ah, burning fire
