Honesty isn't wared today, 'cause no one can buy it.

Honesty isn't saled today, 'cause no one will buy it.

We love the honest worker, his family, his world.

We love the honest worker, 'cause no one can buy him.

All the rain never stopped you at work, your work.

Never gave up. built with strength, step by step with his might.

We love you honest worker, your family, your world.

We love you honest worker, 'cause no one can buy you.

He heals the wounds from the stongly faith, 'cause no one can buy us.

We see his strength in his eyes so clean, 'cause no one can buy him.

We love the honest worker, his strength, his pride.

We love the honest worker, 'cause no one can buy him.

He's a straight men to his family, makes him happy at his work.

Day by day, hour, feels he's coming free, strength and pride.

We love you honest worker, your strength, your pride.

We love you honest worker, 'cause no one can buy you.

We love you honest worker, your families, your world.

We love you honest worker, 'cause no one can buy
you
