Woke up this morning and I put on my Shoes
Fixed up my hair an then I put on my Rouge
Hopped out my window into your brand New car
Something's happening between
You and I
Something's going on deep down inside
We're going dancing baby all through The night
My heart is beating can't be wrong
It feels right
I know for sure that it was love at
First sight
Something's happening between you and I
Something's going on deep down inside
I wanna kiss you but I'm afraid
I wanna touch you but I'm afraid
Daddy's gonna get mad I don't wanna lose you
I wanna kiss you but I'm afraid
I wanna touch you but I'm afraid
Daddy's gonna get mad I don't wanna lose you
Last night I dreamed that we were
Running away

The same old story and babe the same Old game

But I know honey this time it's not the Same

Something's happening between you and I

Something's going on deep down inside

I wanna kiss you but I'm afraid â€¦

I guess I'm too romantic for you babe

I guess I'm too romantic for you babe

I'd sail across the Atlantic for you babe

I'd sail across the Atlantic for you babe

I wanna kiss you but I'm afraid
