Maximum, maximum, power on my side

But it's minimum, minimum without you

Maximum, maximum, power on my side

But it's minimum, minimum without you

It's my therapy you can never understand

What it means to me I'm an Ironman

It's my therapy it's a battle inside of me

It's a battle I fight for my family

Maximum, maximum, power on my side

But it's minimum, minimum without you

Maximum, maximum, power on my side

But it's minimum, minimum without you

It's my therapy it's my way of curing me

It's my recipe for my liberty

It's my therapy it's too hard to understand

What I'm going through I'm a happy man

Maximum, maximum, power on my side

But it's minimum, minimum without you

Maximum, maximum, power on my side

But it's minimum, minimum without you

Maximum, maximum, power on my side

But it's minimum, minimum without you

Maximum, maximum, power on my side

But it's minimum, minimum without you

But it's minimum, minimum without you
